ORANGEBURG.
Moving seems to be the order of the day.

Our young people had one of the gayest times of the season last Saturday night in the way of a party given by the Christian Endeavor Society at Mr. Jerome Mahugh's. The young ladies all prepared a supper, which they brought with them, and at 9 o'clock they wrapped themselves in sheets, putting a pillowcase over their heads, and were offered for sale by auctioneer Charles Grant to the highest bidder. As the sales came near to a close the boys got excited and prices ran high. Misses Laura and Nettie Mason bringing respectively \$1.20 and \$1.30. A good price for your supper, boys, but either of their company is worth that much for a single hour.

Don't Stop TOBACCO

IT'S INJURIOUS TO STOP SUDDENLY, and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitute. In the sudden stoppage of tobacco you must have some stimulant, and in most all cases, the effect of the stimulant, be it opium, morphine or other opiates, leaves a far worse habit contracted. Ask your druggist about BACO-CURO. It is purely vegetable. You do not have to stop using tobacco with BACO-CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will be as free from nicotine as the day before you took your first chew or smoke. An irrefragable written guarantee to absolutely cure the tobacco habit in all its forms or money refunded. Price \$1 per box, or 3 boxes 30 days treatment and guaranteed cured. For sale by all druggists, or will be sent by mail upon receipt of price. SEND 6 TWO-CENT STAMPS FOR SAMPLE BOX. Booklets and proofs free. Eureka Chemical and Mfg Co., La Crosse, Wis.

OFFICE OF THE PIONEER PRESS COMPANY, C. W. HORSICK, Superintendent, ST. PAUL, MINN., Sept. 7th, 1894

Eureka Chemical and Mfg Co., La Crosse, Wis.—Dear Sirs: I have been a tobacco fiend for many years, and during the past two years have smoked from twenty cigars nearly every day. My whole nervous system became affected, until my physician told me I must give up the use of tobacco for the time being at least. I tried the so-called "Keeley Cure," "No-to-bac" and various other remedies, but without success, until I accidentally located at your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured. I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it. Yours very truly, J. W. HORSICK.

SUICIDED IN CINCINNATI.

Rose Maes, Formerly of This City, Takes Phosphorus Poison.

In mentioning the suicide of Rose Maes, a dissolute woman from this city, who ended her miserable life in Cincinnati Monday, The Enquirer says:

"Coroner Haerr was yesterday notified of the death at the City Hospital of Rose Maes, an inmate of a Longworth street house. The woman died from the effects of phosphorus poison, taken with suicidal intent. She dissolved match heads in water and then drank it. The poison was taken last Thursday."

The remains were brought here for interment last night.

CAN'T ISSUE BONDS.

Ashland Enjoined From So Doing, and Other Cities Interested.

The suit brought by Hon. W. W. Culbertson against the city of Ashland to enjoin the issue of \$50,000 in bonds for the completion of a school building recently begun, has just been terminated in the Boyd Circuit Court.

The injunction prayed for was granted. The case will be taken to the Court of Appeals.

The plaintiff's suit was based upon the clause in our new Constitution that prohibits cities of the fourth class from becoming indebted in any manner for any purpose in excess of 5 per centum of the value of taxable property, subject to taxation within said cities.

The outcome of this suit will be of much interest to the many other fourth class cities in the state, as it involves a new question.
